Sergeant Kimberly Bay – June 20, 2015

On June 19, 2015, around 11:45 a.m., officers conducted a traffic stop on a truck related to an ongoing felony investigation. The driver of the truck pulled into the parking lot of a business open to the public on the southwest corner of W. Ajo Way and S. 12th Avenue. The driver then placed the truck in reverse and began backing quickly. The truck initially collided with several vehicles and rammed one occupied vehicle pushing it through the parking lot towards an exit. The driver continued with this vehicle until it struck another vehicle in the parking lot, dislodging it from the truck, and allowing the citizen to get away from the area. While this was occurring, officers from the original traffic stop were following the truck on foot. Recognizing the driver continued to pose a threat to the safety of the citizens in the area, at least three officers discharged their weapons in an attempt to stop the truck. However, the driver of the truck continued in reverse out of the parking lot and then drove eastbound on W. Ajo Way.
